

BAROMETERBLIXT (GP5) at Katarinaskolan, Tuesday May 5 at 7pm

The final Grand Prix tournament of the season offers a special form of blitz (3+2) called The Barometer

FORMAT

First, all registered players are divided into four-player groups of roughly equal strength, where everyone plays everyone. The group winner receives **5 barometer points**, second place **3 points**, third place **2 points**, and fourth place **1 point**. Players with the same score in the group receive the same number of barometer points.

New four-player groups are then formed, pairing players with the same or similar number of barometer points.

This process is repeated so that a total of **5 rounds** are played — that is, **5 × 3 games**.

The winner is the player who has collected the most barometer points at the end. The maximum possible score is **25 barometer points**.

Entry fee: 100 SEK Includes refreshments: coffee or tea and cookies.

Latest registration: 19:00, play begins shortly thereafter.

A warm welcome!
